TO WHOM IT MAY CONCERN

Dear Reader,

Mr Benjamin Ferrand has been part of my crew since 2010. He has been working season after season as Chef on board MY 4 FUN then on MY GRAND CRU III.

The yachts operate privately and charter in the Med to the highest standards. Mr Benjamin Ferrand is a key factor in the success of the running of the yacht.

Mr Benjamin Ferrand's cuisine has been, if I dare to say, more than appreciated by the charterers and the owners. In the meantime, the crew has never been left behind. Benjamin taking a good care of the crew: a token to a positive atmosphere on board favorable for an active business.

Benjamin Ferrand is a real crew member; I mean by "real" that he is team player and his natural happiness and positive attitude are contagious and spread a nice spirit on board.

It would be fastidious to describe precisely his professional qualities here but a few words are a good introduction to describe them: French training Cuisine, Michelin Star achievements, work ethics, honesty, hard work. He permanently seeks to improve and researches the finest flavors and tastes.

I invite you to contact me. I have no hesitation to recommend Mr Benjamin Ferrand. He is one to cope with the highest challenges and he worth it. Myself, I am looking forward collaborating with Benjamin Ferrand on an adequate project.

Sincerely and faithfully yours,

Captain Alain Combes
