

To Whom it may concern

This is to confirm that Benjamin Ferrand was employed as Chef onboard Motor Yacht Aumichakiad From July 2020 through until November 2021.

His duties included cooking for 7 crew and up to 5 guests. Benjamin has a strong work ethic and is passionate about his duties. He is always striving to learn and expand his cooking repertoire and skills.

His duties onboard included, maintaining the galley, dry store, Fridges and freezers to a high and hygienic standard, Provisioning, budgeting and accounting of galley related consumables.

Benjamin Needed little to no supervision and was always dependable to complete his tasks on time and to a high standard.

Benjamin was always eager to help where needed and you would often see him getting involved on deck with a line in his hand.

I wish Benjamin all the best in the future.
